Contractor

*Iraq and Afghanistan

Date: 2011-2012
Sector: Infrastructure and Construction
Region: Central Asia: Afghanistan
Expertise Used: Heavy Lift Cargo
Heavy Duty Lowbeds
Challenge: Water rig required to drill safe drinking water for US military in Southern of Afghanistan.
Solution: Move One transported heavy equipment to remote regions.

Between 2011 and 2012 Move One was responsible for transporting a water rig within Afghanistan on 6 occasions in support of the US and Afghan militaries. The water rig was used to drill for safe drinking water for troops in remote and dangerous locations. Over 35 40 ft trucks and two lowbed trailers were used to transport the rig.
